

## WELCA President's Report

The Hegre WELCA was faced with a dilemma in 2004.....it was should it continue or should it disband. It was decided that we would compromise and have four meetings per year instead of 12. This has worked out well and sew day and circle continue as usual.

We had soup suppers for Lent and a Seder Supper with proceeds going to various groups.

We collected for the Food Shelf in March and November.

We again had the Salad Luncheon in May, which netted \$421.21. Then in July the Ice Cream Social was held and that netted \$550.15 and our Fall Supper netted \$1545.21.

We served the month of July at the Sunset Home for Sunday coffee.

We donated a total of \$2500.00 to various organizations and \$375.00 went to our campers at Hegre.

We THANK everyone for all of their participation and help throughout the year!

God's Blessing to all.

Judy Pavek
