

# Invitation

## Glen Lutheran Church Homecoming

**November 8, 2009**

**10:30 a.m.**

**106 Carroll Road,  
Glen Burnie, MD 21060**

During what are difficult times for many, the community church can be a place of comfort, stability and support, as well as a spiritual haven. It is here for our greatest joys and greatest sorrows, and all the everyday life in between. We worship, we celebrate, we mourn, we learn, we grow, we pray, we serve; all within this wonderful "family" of imperfect people that God has brought together for His purposes.

Every family needs a "family reunion" now and then, to reconnect with its past, celebrate its present, and look toward its future.

**In honor of Glen's 54<sup>th</sup> anniversary, all members and friends, past and present, are invited to worship and fellowship with us again on this special day.**

The service, featuring several guest speakers; will honor Glen's history, the impact this church has had on families, individuals, and the community, and the opportunities & challenges now at hand. Special music will be provided by Glen's own choir, with Jan Brennan, organist, and Anne Kovarik, trumpeter. Afterward, there will be a pot-luck style meal in Good Shepherd Hall, featuring an entertaining slide show with time to reminisce, connect with old friends, and make some new acquaintances.

*Please share this invitation – All are invited and welcome to attend!*
