

2008 Lutheran Singles Association Tour

What: A weekend of fellowship & learning with other Lutheran Single Adults from around the country includes a visit to the Creation Museum: The Creation Museum presents a "walk through history." Designed by a former Universal Studios exhibit director, this state-of-the-art 65,000 square foot museum brings the pages of the Bible to life. A fully engaging, sensory experience for guests: Murals and realistic scenery, computer-generated visual effects, over fifty exotic animals, life-sized people and dinosaur animatronics, & a special-effects theater complete with misty sea breezes & rumbling seats. Address: 2800 Bullittsburg Church Rd., Petersburg, KY 41080 www.creationmuseum.org. A confirmation packet will be sent after registration received via email or regular mail.
